

ALEKSANDR DOLINSKY

ABOUT ME

I am open to new professional opportunities and actively seeking a **Front-end** developer role in a team where I can apply modern development approaches, enhance products, and grow as a specialist.

TECHNICAL PROFICIENCIES

HTML, CSS, SASS, JavaScript, TypeScript, React, React Router, React Hooks, React Query, Vue, Pinia, Vuetify, Axios, Next, GraphQL, Hasura, MySQL. Ant Design, Tailwind CSS, Bootstrap, MUI, PrimeReact. Webpack, Vite, Yaak, Swagger, Postman, CI/CD, (GitHub Actions).

PROFESSIONAL EXPERIENCE

I specialize in front-end development using technologies such as React, Next, Redux, Vue. I have experience working with Express. API: creation, integration, caching, logging. HTTP: status codes, methods, headers, CORS. I work with tools such as Git, CI/CD, Jira and others. I have experience in developing, supporting and optimizing applications, CRM systems and product solutions.

ADMSS (03.2022 - 01.2025)

Work involved completing tasks according to prepared technical specifications. I participated both in developing new features and improving existing modules, fixing bugs, optimizing performance, and enhancing the user interface. Across these projects, I completed over 2000 cases (individual tasks) covering the full development cycle — from task complexity evaluation to testing. I worked on the development of two CRM systems based on React for car dealerships in the United States: CRM for Service Process Automation. CRM for Customer Base Management.

INNOWISE GROUP (05.2019 - 10.2021)

Development cross-browser compatible user interfaces using React and Vue. Collaborated with UX/UI designers to transform concepts into intuitive, user-friendly interfaces while maintaining brand consistency across platforms. Utilized modern front-end tooling and build processes to streamline development workflows and ensure code quality.

EDUCATION

Open International University of Human Development "Ukraine"
(<https://uu.edu.ua/>) — software engineering

Interregional Higher Vocational School of Communications
(<https://pkvfp.kiev.ua/>) — radio mechanic
